**West Palm Beach, FL (December 12, 2006)** - New Century Companies together with their Sub-Contractors, Employees and Homeowners rallied together to donate over 200 “Toys For Tots” on Saturday, December 9<sup>th</sup> at various stops from Coral Gables to Palm Beach. The New Century Companies “Toys For Tots” drive of 2006 will always stand out as an exceptional year – raising the bar for years to come.

“It felt great to go out with friends, and to count on those we do business with, to assist in helping the less fortunate this holiday season” stated Robert Mathias of New Century Companies. “We were lucky enough to get donations from our consultants, our subcontractors and even some homeowner’s helped out and donated toys on behalf of New Century Companies. There were very generous donations in form of checks, while some people showed up with bags and bags filled with awesome toys.”

Mathias adds, “Dating back to 1948, ‘Toys for Tots’ is an organization that I have always had a lot of respect and admiration for. Growing up, ‘Toys for Tots’ was a staple around my community. Together with J.P. DiMisa, and David Biggs, we got involved through a group of friend’s and decided to make a difference.”
