### **New Century Companies Announces Formation of Total Property Care**

Delray Beach, FL (Jun. 10, 2009) – [New Century Companies](#) is pleased to announce the formation of [New Century Total Property Care](#), a full-service landscape and maintenance company based out of Delray Beach. In addition to providing outdoor maintenance such as lawn services, landscaping, tree care and pesticides for commercial properties and communities, the company also fulfills customer service requests for individual residential unit repairs and maintenance.

According to Robert Mathias, J.P. DiMisa and David Biggs, the principals of New Century Companies, “We started Total Property Care to support our own infrastructure, realizing we were fully capable of providing high-quality property care services in-house. Since its inception, Total Property Care has been doing so well that our peers have started to take notice, many of which are signing up to utilize the service as well.”

Total Property Care’s services include, but are not limited to complete lawn and landscape maintenance; landscape design and installation; mulching and annual planting; tree and shrub trimming or removal; sod installation; stone work; seasonal lighting installation and removal; fire ant control; sprinkler installation and repair; bulk trash and brush haul-off; gutter cleaning; weed control; and much more. The company has experience in handling all types of property, from 90-home communities and commercial strip malls, to individual Palm Beach custom homes.

Some of New Century Total Property Care’s current projects include the East Delray Shopping Center, Delray Beach Executive Office Building, Royal Poinciana in Boca Raton, and WCI Oceanside in Pompano Beach.
